

ORCS Research Grant

Letter of Intent

Please complete this form to advise your intention to submit an application for the ORCS Research Grant and Fellowship Awards Competition. The competition guidelines and the application form can be found on The Ontario Lung Association [website](#).

Timelines

This year, 2018-19, will be a "transition" year with the submission of a Letter of Intent due by **December 31, 2018**. This is a flexible deadline while we pilot this new approach.

Contact Information

Principal Investigator

First Name:

Please enter the first name of the Principal Investigator

Last Name:

Please enter the last name of the Principal Investigator

Email Address:

Please enter the email address for the Principal Investigator

Institution:

Please enter the name of your institution

Project Title

Please enter the title of your research project

Project Abstract (no more than 350 words)

Please enter project abstract

SUGGESTED REVIEWERS

Please provide the names and contact information for three (4) suggested external reviewers. Do not include persons with whom the Principal Investigator has collaborated with as a co-principal investigator, co-investigator, or co-author in the past three years. Exceptions are made for a large team and collaborative networks with explanation required.

Please ensure you have contacted and secured approval with the suggested external reviewers and that they have agreed to review the assigned grants by mid-April.
